

OPERATIONAL PREVIEW

Belo Horizonte, July 4, 2018 – Banco Inter S.A. (B3: BID14), digital bank with a full service financial platform to individuals and corporations, with activities in real estate loans, SME credit, payroll lending and credit card, announces today the preview of its operational results of the second quarter of 2018. The presented information is preliminary, unaudited and subject to revision.

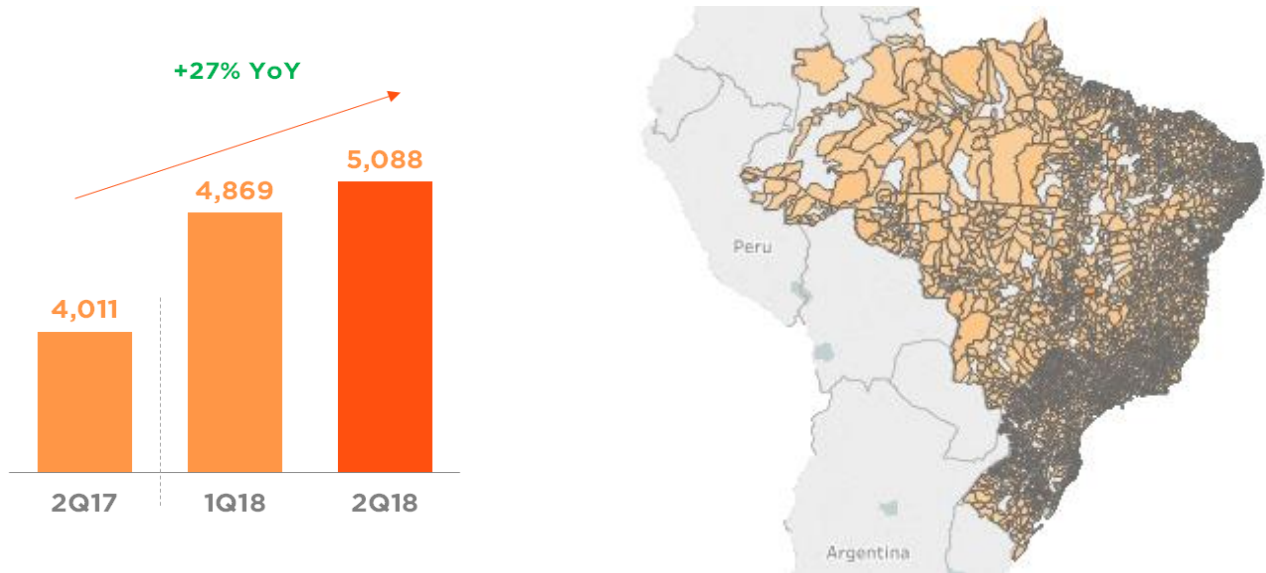

HIGHLIGHTS | 2Q18

- ✓ We surpassed 741 thousand digital checking accounts, after opening more than 3.6 thousand new accounts per day in June;
- ✓ Standard & Poor's elevated our local rating by two notches, from 'brBBB-' to 'brBBB+';
- ✓ In the 2Q18, we reached 60 thousand depositors who reinforce our funding capability and contribute to the reduction of funding costs;
- ✓ We have clients in more than 5 thousand Brazilian municipalities and in 100% of Brazilian cities with more than 20 thousand inhabitants;
- ✓ Our Fee Meter reached R\$238 million in the first half of 2018. This shows the amount saved by our customers in fees, reinforcing our purpose of Banking Revolution;
- ✓ We launched two new services in the 2Q18: i) Automobile and motorcycle consortium, with mobile simulation and adoption through Banco Inter's app, increasing the product offering in our financial market place; ii) Automatic salary portability, enhancing Banco Inter's position as the clients' primary bank.

About Inter - Simple and digital as you expect; solid and safe as it has to be. We believe that the relationship that people have with their bank can be simpler, more transparent and fair. And we are making this transformation happen. Since 1994, Banco Inter has a track record of innovation and growth. We are the first 100% digital bank and the only one to offer a totally free account. It is a gateway for customers to a complete digital service platform. Our real concern in cultivating win-win relations has been making of us a real partner bank, increasingly known to customers, employees and to the market.
