STOCK SPLIT APPROVAL

BANCO INTER S.A. (B3: BIDI3, BIDI4 and BIDI11) ("Company"), pursuant to Instruction 358 of the Brazilian Securities and Exchange Commission ("CVM"), of January 3rd, 2002, as amended, hereby informs its shareholders and the market in general that, on this date, the Company's Shareholders' Meeting resolved to split all of the current common and preferred shares ("Split"), without altering the Company's current share capital, so that each share shall be divided into 3 (three) shares of the same class as those currently in existence, what shall be applied to all of the Company's shareholders, equally, in the same proportion, for both common and preferred shares, not causing any change in the proportion between the number of common and preferred shares, as well as any type of dilution in the respective shareholding positions.

The shares resulting from the split will be of the same class as the originating shares and, once the split is approved by the Brazilian Central Bank, will fully confer upon their holders the same rights and advantages of the shares currently in existence, including dividends, interest on shareholder's equity and bonuses. Likewise, due to the Split, the depositary financial institution will register the deposit of the new shares and credit new Units in the account of the respective holders, in order to reflect the new number of shares held by the holders of the Units, always keeping the proportion of 1 (one) common share and 2 (two) preferred shares issued by the Company for each Unit.

Inter clarifies that the Split is subject to approval by the Central Bank of Brazil, and that it will keep its shareholders and the market in general informed about the base date on which the shares will start to be traded already contemplating the Split.p0
