**NOTICE TO THE MARKET**

**INTER AND ABC BRASIL PARTNERSHIP**

**BANCO INTER S.A. (B3: BIDI3, BIDI4 e BIDI11)** ("Inter"), pursuant to Instruction 358 of the Brazilian Securities and Exchange Commission ("CVM"), of January 3rd, 2002, as amended, informs its shareholders and the market in general the announcement of a partnership between Inter, Inter Distribuidora de Títulos e Valores Mobiliários Ltda. ("Inter DTVM"), and Banco ABC Brasil S.A. ("ABC Brasil").

With this partnership, Inter, Inter DTVM and ABC Brasil aims to complement their capital markets operations, using the **ABC Brasil expertise** - in the origination and structuring of infrastructure debentures and private credit, in addition to its strong distribution presence within institutional investors – and the **pulverized presence and Real Estate credit expertise of Inter** – to distribute financial products for more than 11 million customers in its platform.

The analysis and execution of the operations will be joint between Inter, Inter DTVM and ABC Brasil. The assets distribution will be made through Inter's Platform and ABC Brasil, reaching both investors' bases.

"We see at ABC not only cultural, but also technical and channel similarities. Given so many synergies, the creation of this partnership happens very naturally.", commented João Vitor Menin, Inter CEO.

"We are talking about partners with very complementary characteristics. This joint effort in capital markets will allow us to expand the portfolio of solutions offered to our clients, while it will broaden investment alternatives to Banco Inter clients. It will benefit clients of both institutions.", added Sérgio Lulia Jacob, ABC Brasil CEO.
