NOTICE TO THE MARKET

INTER ACQUIRES PARTICIPATION IN IM DESIGNS

BANCO INTER S.A. (B3: BIDI11) ("Inter"), pursuant to Instruction 358/02 of the Brazilian Securities and Exchange Commission ("CVM"), hereby informs its shareholders and the market in general that it has executed the final documents for the acquisition of equity interest in IM Designs Desenvolvimento de Software Ltda. ("IM Designs" and "Transaction", respectively).

The participation in IM Designs is part of Inter's strategy to acquire new companies with a strong technological base and innovative profile. IM Designs is a company specialized in the development of immersive 3D technologies and tools for the creation of visual projects through virtual reality (VR), augmented reality (AR) and mixed reality (XR). It has a partnership with Autodesk®, the largest engineering and architecture software provider and is part of a select group of companies with access to its Beta versions.

With the acquisition of a stake in IM Designs, Inter starts to invest in new technologies that can transform the customer experience (UX and UI) in its ecosystem and seeks to maintain the leading edge of its Super App.

The Transaction's Sales and Purchase Agreement ("SPA") was signed on April 15, 2021. After the effective closing, Inter will hold 50% (fifty percent) of IM Designs' shares. The founding partners will continue leading the business from a new office, at Inter Tower, the group's headquarters in Belo Horizonte.

The Transaction's closing is subject to approval by the Central Bank of Brazil.
