NOTICE TO THE MARKET

CLOSING OF THE OPERATION - INTER AND MEU ACERTO

BANCO INTER S.A. (B3: BIDI11) ("Inter"), pursuant to Instruction 358 of the Brazilian Securities and Exchange Commission ("CVM"), of January 3, 2002, as amended, hereby informs its shareholders and the market in general that, in continuity to the Notice to the Market disclosed on December 18th, 2020, it informs its shareholders and the market in general that the acquisition by Inter of 60% (sixty percent) of the share capital of Acerto Cobrança e Informação Cadastrais SA ("Meu Acerto") has been completed.

On this date: (i) all conditions precedent for the closing of the transaction were fulfilled, as provided for in the Sale and Purchase Agreement ("SPA"), executed on December 18th, 2020; and (ii) a shareholders' agreement between Inter and other shareholders was signed, among other documents.

As previously disclosed, the operation, in addition to strengthening the collection activity of Meu Acerto, will accelerate the evolution of the Winback model, which comprises the pillars of Reactivation and Retention of customer bases, in addition to Upsell in order to bring relevant competitive advantages not only for Inter, but also for several players that operate in the digital market. Meu Acerto is the pioneer platform in the Winback model of the Brazilian market. Its digital processes, focusing on the experience of the end customer, deliver superior performance to that of suppliers that act separately on each of the pillars. The company has been operating since 2017 and has a portfolio of clients in the financial and telecommunications markets.
