About Banco Inter - Simple and digital as you expect; solid and safe as it has to be. We believe that the relationship that people have with their bank can be simpler, more transparent and fair. And we are making this transformation happen. Since 1994, Banco Inter has a track record of innovation and growth. We are the first 100% digital bank and the only one to offer a totally free account. It is a gateway for customers to a complete digital service platform. Our real concern in cultivating win-win relations has been making of us a real partner bank, increasingly known to customers, employees and to the market.
